At the request of the Examiner P.W. & R. Accounts, the Executive Engineer Hessarghatta Division submitted a fresh completion certificate and asked for early Countersignature and return. Not having received a reply thereto the Examiner requested an early disposal of the Question. This reference was sent by the then Secretary to Mr. Srikantaiswara Iyer with the following remarks:- S. "Why should this small
"matter be so long delayed.
"Is there any doubt or
"hitch or difficulty please?
"If not, I should like to

"as quickly as possible".

On receipt of another reminder from the Examiner, the then Under Secretary sent it to Clerk B. V. Lakshmana Rao of the D.C.O, with the following instructions:- S N° (10)

In response to this, Mr. Venkatachar sent a comparative statement* shewing the list of furniture supplied by the D.P.W, those subsequently added, as at present, and the difference, and stated that after actual count, the major articles tally, that there are few differences which the Overseer cannot explain; that at this distance of time, it is not easy to fix the responsibility on any person, that the articles found from actual

Memo No. 3101, dated 7th June 1901, from the Chief Engineer of Mysore, forwarding letter No. 3314, dated 6th idem, from the Examiner, Public Works Accounts.

This relates to the supply of furniture of the cost of Rs 6085/- made by the P. W. Department for Bhavani House, the Dewan's Government Residence at Ootacamund. A Completion bill for the above mentioned amount was submitted to this Office by the P. W. Department in April 1896, with the request that the bill might be certified to as correct.

The papers have all along been dealt with by Mr. Srikanteswara Iyer and by the late Dewan's Home Office. The papers have been pending long, although several reminders were received and sent to D.H.O.

Mr. Srikanteswara Iyer got bills prepared by one of his Officials, of the articles now

found in the Dewan's residence at Ooty and finding some discrepancies, sent them to Mr. B. Venkatachar, Executive Engineer, Bangalore Division, and requested him to check the items by actual examination when the latter visited Ooty. That Officer made a personal examination and replied on 10th September 1900 that all the major articles were forthcoming, but some minor articles were missing and could not be accounted for by the Overseer at Dolacamund. He suggested that the existing stock might be accepted as correct, and the Overseer made responsible therefor, and that he be asked to submit regular certificates of the stock every half year.

On another reminder having been received from the Chief Engineer, that Officer was informed in this Office Docket No. 11068 / Mis: 3001, dated 22nd February 1901, that the matter

A Completion certificate was forwarded with his letter No. 498/395 d: 23rd Apr: 96. by Mr. R. T. Scaldwell, (Executive Engineer Hesser ghatta Water supply Division) to the General Secretary with the request that it might be countersigned and returned to him. The letter of the Executive Engineer was not forthcoming in the Dewan's office and a Copy thereof (completion certificate) and its enclosures, were obtained from him (Mr. V. Rangaswami Iyengar). The papers were sent to the old D.H.O. (16-12-97)

The original of this is not in the file. (see sl No 4/a for Copy.

In April 1898, at the instance of Mr. C. Srikanteswara Iyer (Private Secretary to the Dewan) a detailed list of furniture supplied by the D.S.W (to the Bhavani House) was called for. from the Ex: Engineer. This was sent on the 11th. May 1898. received for verification vide list B. (Sl No 6a)

In July 1899 a fresh Completion Certificate was received from the Exe Engineer Hesserghatta Water Supply division for the Countersignature of the Secy (Genl Deptt). This was also passed on to D.C.O as also the subsequent reminders both from the Exe Engineer and the Examiner P.W.D accounts. vide letter No. 1312/96 d: 6th July 1899 (Sl No 7) as before.

15th August 1900. On that date the papers were sent to Mr. B. N. Venkatachar, Executive Engineer who was then at Ooty, with the request.

Mr. Srikanteswara Iyer prepared lists (1) of articles found in the Dewan's residence at Ootacamund and (2) of furniture purchased for the Bhavani House from time to time, and forwarded them to Mr. B. In December 1900, the Chief Engineer Remind ed Government of the Completion certificate. He was informed in reply that "the matter will be looked into on the spot and settled when the Dewan next goes to Coty."

However Nothing seems to have been done at Coty.

(In June 1901)

At this stage the papers were taken up by the office (secretariat) and submitted for the orders of the Dewan with an note d: 17-6-01.

In

In this memo it was suggested that at this distance of time, the best plan was to follow the suggestions made by Mr Venkatachar Ex: Engr. Bangalore Division viz the Completion certificate for Rs 6085-4-7 be countersigned by the Secretary General Deptt, and returned to P.W.D, and that the present overseer (the late overseer being dead) at once be asked to certify to the existing stock and submit half yearly certificates of stock regularly in future.

But the Dewan was not in favour of adopting this suggestion. His remarks are quoted below:—

"I cannot adopt this suggestion. ask the chief Engineer to state the name of the official or officer who received the furniture and whether any voucher was taken from him. (1) (2) If not, I do not see why the asstt Secretary Mr. Sreekanteswara Iyer who delayed this reference should not be made to account for the discrepancy. Let me have a comparative statement of what is and what was supplied. A full note of the whole of the correspondence must be submitted."

The chief Engineer was written to* as regards points 1 + 2. The information furnished by Mr. Rangaswamy Iyengar (Exe Engr. H. W. Supply Dn) shows that the work of furnishing the Bhavani House was ~~undertaken~~ begun and completed during the
